Guide to proving your right to work in the UK

All Sourcing requires the following documents as proof of your right to work in the UK.

Below is a brief outline of what these may be for your circumstances to help you provide the correct documents. If you feel you don't fall into any of these categories please call us on 01875 812423 and we will provide further guidance.

Important Information:

A British Travel Document issued to a Non EU National is NOT proof of right to work. Without proof of the right to work in the UK we are unable to process any payments by law.

Though you can travel using a current passport with a Visa in an old passport, according to Home Office guidelines, this is not adequate proof of your eligibility to work in the UK. Your Visa needs to be in a current passport or replaced by a Biometric Card (BRP).

If you require more information on how to apply for a Biometric Card you may find this website link useful:

<https://www.gov.uk/biometric-residence-permits> this webpage will explain why you may need a Biometric Card and how to apply for one.

Please also find attached a copy of the Home Office Right to Work Checklist which you may also find helpful.
